starting authorization & marking:

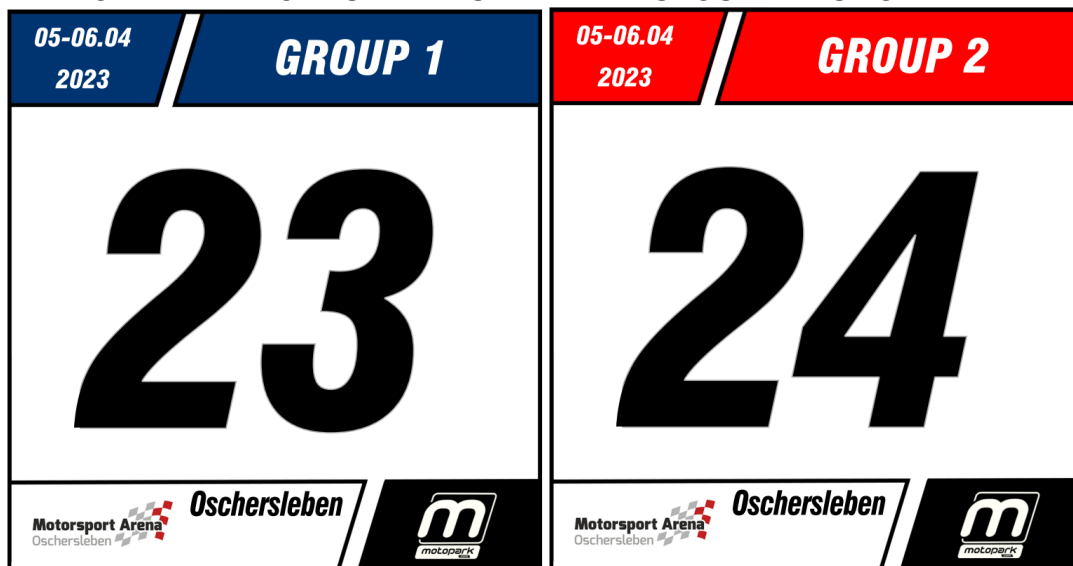

Please note that without accreditation (signed waiver of liability, coloured marker bracelet and start number on the vehicle) access to the track is possible. Drivers need to wear a coloured marking bracelet, which will be worn on the **left** wrist ->

Without this marking wristband it is not allowed to drive on the track!

Per car three start numbers will be issued and must be attached to the top of the windscreen and left and right side

- ATTENTION - THE WHOLE START NUMBER MAT SHOULD BE STICKED-

(sample sticker only)
